NEWS & EVENTS FROM AROUND THE CTTC

Congratulations to Joe & Kris Fendrock on the birth of their son Michael on December 5th. What a wonderful early Christmas Present they received! Don't forget to check out JFK feature from NEPIRC in the Made In PA segment mentioned last month. You can access the interview and video here: <http://www.nepirc.com/jkf/>

Congratulations to Three Guys & A Beer'd for being named the "Best Local Brewery" by Electric City News for 2012!!

The CTTC is currently providing an offer to PASA members or to new tenants who utilize products from a PASA member. We will waive our application fee for these new tenants in the Kitchen Incubator.

We would like to wish a speedy recover to Tom Kostiw (Babunya's Gourmet Spices) as he is recovering from some surgery and also to John Collins (PROVA Systems) recovering from a little spill on the slopes, and of course our Hana DeSola (CASCO Wire) has had an amazing recovery from two hip replacement surgeries. Best Wishes to All.

A 40 gallon kettle has been purchased and will be installed in the Kitchen Incubator.....

Our Resource Guide has gone to print and will be available soon.....

Updates on our progress on the Clifford of Vermont Renovation on Atlas Street in Carbondale Township as well as announcement of our first new tenant there.
