CTTC WELCOMES NEW TENANTS

KITCHEN INCUBATOR COMPANIES

Knob View Farm, Ltd. is an 11 acre, naturally-grown and family-operated farm located in scenic Cherry Valley just south of Stroudsburg,, Pennsylvania.

They currently specialize in a few crops: hard-neck gourmet garlic, shallots, and numerous varieties of baby and fingerling potatoes.

Marketing of their products is mainly done through their web site: www.kvfarm.com and at regional Garlic Festivals on the east coast including, the Pocono Garlic Festival, Connecticut Garlic Festival and the Bowers Chili Pepper Festival.

NONPROFIT MEMBER

**Pennsylvania

Sustainable Agriculture**

www.pasafarming.org

The family has partnered with the CTTC to assist in the development, making and marketing of value-added farm products. Presently they are selling their Gourmet Garlic Sea Salts which are "Simply Made in Small Batches" from the best available ingredients. They have developed these culinary sea salts for the inquisitive Chef and Foodie to enhance the flavor of a variety of meats, vegetables, fish, seafood, pasta and more... from solar evaporated, natural and unadulterated pure sea salt, with no additives or anti-clumping chemicals. They seek to provide the very best in Gourmet Garlic Sea Salts, using pure and natural sea salt, to preserve trace minerals and flavor, real garlic, herbs and spices. Their products are all natural, all the time.... Simply Made In Small Batches...

Why not see what the Kitchen Incubator @ the CTTC can do for you? Share your ideas and get your dreams off the ground by contacting the CTTC today! Contact Paul Browne at 570-282-1255 or at paul@cttc.org for more details.

The Mission of the CTTC is to provide technical support, business assistance, financial resources and appropriate facilities to entrepreneurs, small businesses and light industry/light assembly manufacturers working with technology applications or innovative products or processes as well as food industry companies.
